One of the highlights of summer for many is the time spent with family. This year we are excited about our Family Camp, certainly a great weekend to make meaningful memories. Even though you already live on the lake, family camp will give you the opportunity to FEEL as if you have had a vacation - with purpose. Please join us for our weekend family camp from July 17-19. We will have plenty to do for ALL ages! Information is on our website. Come and discover how your family can go from O2X - Ordinary to Extraordinary!

Hope to see you soon,
