If you want to learn how to ski, wakeboard, kneeboard, or just tear it up on the water, the "H2O" experience is for you! If you want to spend a night sleeping under the stars, cook a few meals over open flame, and learn how to battle the elements like Davey Crockett, then the "Rough It" experience is for you. Campers can add either of these emphases to their week all while enjoying friends, chapel, and their other camp favorites.

Parents: Twin Lakes Bible Camp is a fun place to get serious about God! We take our mission seriously. We are committed to providing a safe, clean, fun, and caring environment. Our summer staff are mature, COLLEGE-AGED adults who are screened and trained before campers arrive. They are chosen because of their genuine love for God & His kids. We meet or exceed state guidelines for facilities, food service and supervision. Our lifeguards are certified. Camp nurses distribute medications and lovingly take care of boo-boos. These high standards are all for one reason: so campers will have an experience that will give them great memories and a better picture of Jesus and His love for them.

Get Rooted

Come join us this summer for lots of laughs, crazy camp games, new friends, and an opportunity to grow in your relationship with Jesus Christ and others. In order to have true spiritual growth, you need to have strong roots. This summer at Twin Lakes Bible Camp, we will emphasize the concept of being rooted in Christ. In order to be rooted in Christ, we have to believe in Him. In order to believe in Him, we must accurately know Him. Everything we do this summer from the fun activities to the great chapel sessions will be focused on knowing Christ and getting rooted in Him. We look forward to seeing you at Twin Lakes Bible Camp this summer where it's a fun place to get serious about the LORD.
